**Scholarship Announcement for the Louella W. Norfleet
Memorial Scholarship Fund, Inc.**

The Louella W. Norfleet Memorial Scholarship Fund, Inc. (the Fund) is a 501(c)(3) organization which has provided financial assistance to students from across the country, especially first-generation students in their pursuit of higher education. The Fund was established in 1996 in memory of an educator who changed the structure of delivery services to children in Edgecombe County, North Carolina. In addition to providing scholarships, the Fund provides educational webinars and college fairs to inform youth of educational opportunities.

The Fund invites high school seniors to apply for its annual scholarships. Students with a 2.5 GPA and above may apply for one of four scholarships: the General Scholarship, the Ernest D. Bryant Scholarship (for those planning to major in engineering), the Deborah I. Walsh Scholarship (for those planning to major in education), and the FGLS Environmental Scholarship (for those planning to major in environmental science). Students may apply at the LWN website, www.lwnorfleet.org, from March 2, 2026, until May 2, 2026.

Applicants should direct any questions to Jessica Y. Brewster-Johnson, Scholarship Coordinator, at jbjohnson@lwnorfleet.org.
